LARGE ASSORTMENT OF WW AND PW FABRICS IN RANGE:

1. **PURE COTTON WORK WEAR FABRICS**
2. **POLYCOTTON & COTTON RICH WORK WEAR FABRICS**
3. **HEALTHCARE, FOOD PROCESSING, HOTELS, CATERING**
4. **SECURITY, UNIFORMS, SPECIAL FABRICS, CAMOUFLAGE**
5. **FLAME multi PRO & HIGH VISIBLE, REFLECTIVE FABRICS**

Key factors to choose right fabrics for your projects :

expertise
a professional advice about fabrics, over 20 years experience in textile branche
choice
a wide range of fabrics for image/workwear, protectivewear and casual apparel
performance
an optimum quality, comfort, durability and consistency of performance
safety
a superior protectivewear fabrics give advanced levels of protection
quality control
all suppliers fully accredited to ISO and EN Certification, Ökotex Standard 100
consistency
all vertically integrated textile mills only, Test monitor, Inspection reports
record keeping
each and every roll has his own unique bar code enable to control the quality
service
a sales, customer / technical service and marketing, including relevant backselling
stock
a large warehouse (> 5.000 sqm) with more than 1.000.000 meters of fabrics
logistics
a dedicated international distribution and flexible delivery service within 24 hours
innovation
an on-going programme of sourcing cost effective fabrics and new developments
customized product
an opportunity to develop all sorts of fabrics / shades per specific requirements
competitive price
if the exact same item by competitor cheaper, we are ready to meet the same

„Easier said than done." Let´s try large assortment of fabrics and reliable service.
