Sett (threads / inch)	112 // 56	96 // 44	102 // 49	78 // 46
Tensile strength (N) warp/weft	700 // 450	750 // 500	780 // 560	1000 // 580
Shrinkage after 5 washes (5 x 60°C Wash + 177°C Press)	WHT 85°C 3% // 3%	WHT 85°C 3% // 3%	WHT 85°C 3% // 3%	3% // 3%
Abrasion resistance (Martindale)	>20.000	>18.000	>20.000	>20.000
<b>Colour performance: scale (1-5)</b>	CC // CS	CC // CS	CC // CS	CC // CS
Light Fastness : scale (1-8)	4-5	4-5	4-5	4
Washing	4 // 4	4 // 4	4 // 4	4 // 4
Perspiration acid // alkali	4 // 4	4 // 4	4 // 4	4 // 4
Rubbing dry	4	4	4	4
Rubbing wet	3-4	3-4	3-4	3-4
Dry cleaning: (colour change)	4	4	4	4

Note: values are solely indicative and may vary

Finishing: mercerized, sanforized non-shrink

Care instructions:     

**Minimum quantity from stock:** 1 roll (usually 60 - 90 m)

**Sampling:** upto 7 m with price surcharge, small cuttings free of charge

**Delivery:** the same day from our warehouse by ordering before noon

**Corporate colours for production:** min 3.000 m / shade per customer request

**Additional brand finishes:** Proban, Pyrovatex, Teflon, Negastat, Cordura, etc.

**Special kind of fabrics:** min 7.000 m for greige production, delivery 3 months

## LARGE ASSORTMENT OF WW AND PW FABRICS IN RANGE:

- ① PURE COTTON WORK WEAR FABRICS
- ② POLYCOTTON & COTTON RICH WORK WEAR FABRICS
- ③ HEALTHCARE, FOOD PROCESSING, HOTELS, CATERING
- ④ SECURITY, UNIFORMS, SPECIAL FABRICS, CAMOUFLAGE
- ⑤ FLAME multi PRO & HIGH VISIBLE, REFLECTIVE FABRICS

Key factors to choose right fabrics for your projects :

### expertise

a professional advice about fabrics, over 20 years experience in textile branche  
**choice**

a wide range of fabrics for image/workwear, protective wear and casual apparel

### performance

an optimum quality, comfort, durability and consistency of performance

### safety

a superior protective wear fabrics give advanced levels of protection

### quality control

all suppliers fully accredited to ISO and EN Certification, Ökotex Standard 100

### consistency

all vertically integrated textile mills only, Test monitor, Inspection reports

### record keeping

each and every roll has his own unique bar code enable to control the quality

### service

a sales, customer / technical service and marketing, including relevant backselling

### stock

a large warehouse (> 5.000 sqm) with more than 1.000.000 meters of fabrics

### logistics

a dedicated international distribution and flexible delivery service within 24 hours

### innovation

an on-going programme of sourcing cost effective fabrics and new developments

### customized product

an opportunity to develop all sorts of fabrics / shades per specific requirements

### competitive price

if the exact same item by competitor cheaper, we are ready to meet the same

„Easier said than done.“ Let's try large assortment of fabrics and reliable service.
